AND PAYMENT OF DEFICIENCY OWED PURSUANT TO 37 CFR § 1.28Commissioner for Patents
PO Box 1450

Dear Sir:

The above-identified patent was filed in the United States Patent and Trademark Office on October 6, 2003 with a claim to small entity status. Applicant respectfully submits that the small entity status was established in good faith and that the fees as a small entity were paid in good faith. It was subsequently determined that the status of small entity was lost on or about July 18, 2003. All payments made after July 18, 2003 were made under large entity status; however, the United States Patent & Trademark Office failed to recognize Applicant's Notification of Loss of Entitlement to Small Entity Status filed on May 1, 2006 and applied a refund to maintenance fee payments made by Applicant. Accordingly, applicant hereby petitions that the error in claiming small entity status be excused pursuant to 37 CFR § 1.28(c).

A duplicate copy of this paper is enclosed.
